

Aberdeen Cyrenians

About Us

We offer care and support for vulnerable people in the North-East.

We provide person-centered and inclusive service, working towards overcoming barriers and improving well-being. We want to empower people by building skills, resilience and confidence.

Our Services

EVAA (Ending Violence and Abuse Aberdeen)

- EVAA aims to ensure that those who are experiencing domestic or gender-based abuse get the help that they need.
- They provide specialist support, access to safe accommodation and help people to manage risk and make their situation safe.

EVAA Inclusive (LGBTQ+ Support Service)

- EVAA Inclusive is a new service providing specialist support for any member of the LGBTQ+ community affected by domestic abuse, violence or hate crimes.
 - We offer information and support on a person-to-person basis promoting personal growth and improved well-being.
- 

Our Services

Wernham House

- Wernham House is a residential and respite care accommodation service for adults who have alcohol and substance use problems and mental health issues.
- Effective partnership working with integrated social work and health professionals
- Respite placements – effective crisis intervention and preventative service

Direct Access

- Information, support and advice for anyone in crisis and at risk of losing their home.
- **Short-term support:** food parcels, clothing, toiletries, computer access, mailbox service, referral to Street Alternatives.
- **Long-term needs:** universal credit applications, job applications, medical appointments, temporary accommodation, permanent homes.

Our Services

Housing First

- Housing First Aberdeen and Aberdeenshire ensures that those suffering from cyclical homelessness and who have multiple, complex needs receive the housing and support required to live and integrate successfully within our and their local communities.

Assertive Housing Support Service

- “AHSS” is a groundbreaking new partnership service aiming to prevent homelessness in Aberdeen.
- The service is commissioned by Aberdeen City Council and provides integrated homelessness, mental health, employability and finance/debt management support to some of Aberdeen's most vulnerable citizens.

Get Digital

- Helping people affected by or working in homelessness to experience an improved quality of life by benefiting from the digital world.

Our Services

Care Choices

- Care Choices is our Care at Home service, offering home support in your own home, enabling our service users to live independent and fulfilling lives.
- Care Choices is part of the Granite Care Consortium that has been commissioned by the Aberdeen City Health & Social Care Partnership.

Resilience, Inclusion, Safety and Empathy

- RISE service provides intensive support to individuals who are, or have been, involved with the justice system or Mental Health Services, supporting them to recover, re-integrate into the community, and increase employability. Supporting recovery, integration and employability.

Justice Support Service

- "JSS" provides intensive support to individuals who are, or have been, involved with the justice system, supporting them to re-integrate into the community.
- Support is tailored to individual needs.

Our Services

Settled Homes for All

- Focused on offering long term tenancies to our service users who are homeless or at risk of homelessness, alongside community-based support to increase the success of long-term tenancies.
- Working alongside both landlords and tenants, we provide the support needed to achieve long-term renting success.

Strength For Tomorrow

- The Strength for Tomorrow service offers trauma informed care and support to adults whose lives have been affected by childhood abuse.
 - We offer a person-centered care and therapeutic interventions in a safe and secure environment.
- 

Stonewall's LGBT in Scotland Health Report

- Half of LGBT people (49 per cent) have experienced depression in the last year, including seven in ten trans people (72 per cent).
- More than half of trans people (52 per cent) have thought of taking their own life in the last year.
- One in seven trans people (14 per cent) have been pressured to access services to question or change their gender identity.
- One in four LGBT people (24 per cent) have witnessed discriminatory or negative remarks against LGBT people by healthcare staff.
- Almost two in five trans people (37 per cent) have avoided healthcare treatment for fear of discrimination.
- One in four LGBT people (27 per cent) have experienced healthcare staff having a lack of understanding of specific lesbian, gay and bi health needs.
- Nearly three in five trans people (59 per cent) have experienced healthcare staff having a lack of understanding of specific trans health needs.

Stonewall Membership

- Aberdeen Cyrenians is now part of Stonewall's Diversity Champions program.
- It ensures all staff are accepted and included equally.
- Policies are reviewed to ensure employees and service users are protected
- Staff are trained in using inclusive language
- LGBTQ+ traits are not just accepted, but celebrated.

Who We Are Here For

If anyone is struggling our doors are always open. We're here for anyone facing crisis who may need information, advice or even just a helping hand.

We support people affected by homelessness, poverty, abuse, addiction, mental ill-health & complex needs.
